

Grab-N-Go Bag

Make a grab-n-go bag - a small customized emergency kit that's easy to carry, in case you need to leave right away. Have one in your home, in your vehicle, and at work.

- ☐ Food (ready to eat) and water*
- ☐ Phone and battery charger (AC outlet and car)
- ☐ Small battery-powered or hand-crank radio
- ☐ Battery-powered or hand-crank flashlight(s)
- ☐ Extra batteries
- ☐ Small first-aid kit and personal medications
- ☐ Personal toiletries
- ☐ An extra pair of glasses or contact lenses
- ☐ Seasonal clothing and an emergency blanket
- ☐ Cash in small bills
- ☐ Pen and notepad
- ☐ Manual can opener and disposable utensils
- ☐ Face masks (N95)

*** Two quarts/half gallon per person each day is recommended – double if hot conditions or if also used for cleaning/hygiene.**
